CASHMAN SEED COMPANY Owatonna, Minn.

114 E. Vine, across from Chevrolet Garage

NOTICE—We make NO CHARGE FOR BAGS as prices include bags which are weighed in as part of quantity given.

POSTAGE—We deliver FREE all Vegetable and Flower Seeds in packets, ounces, quarter pounds and pounds. For larger amounts add 8c per pound to list price. Purchaser pays transit on Garden Seeds, Farm Seeds, Potatoes, Implements, Insecticides, Poultry Supplies, etc.

GUARANTEE—Most of the failures of seeds, bulbs, plants, etc., are due to causes entirely beyond our control, such as soil conditions, unfavorable weather, time and manner of planting, etc. For these reasons it would be impractical to guarantee seeds, therefore, the Cashman Seed Company, gives no warranty, express or implied, as to description, quality, productivity, or any other matter on any seeds, bulbs, plants, etc. We send out and will not be in any way responsible for the crop. If not accepted on these conditions, return at once and money will be refunded.

“Good Seeds at the Lowest Price Possible” Is Our Aim

DEAR FRIENDS:

Nineteen degrees below zero today, but this is the 18th of February and the days are getting longer and the sun is getting higher every day. Spring is not far away and we will soon think of planting. We have delayed sending out our price list earlier in order to be sure that our prices would be the lowest possible for the best quality seed that is acclimated for this section. We have gathered our seeds with the greatest of care to be sure that they are free from noxious weeds, and have cleaned them thoroughly. We are in position to serve you well this year and we want to thank all our customers for the fine patronage given us in the past and only hope we have pleased you.

Sincerely yours,

J. E. CASHMAN.

ORDER EARLY. The early purchaser has a great advantage. Prices are usually at their lowest, but the greatest advantage is in being able to purchase stocks that have been thoroughly tested, are in the seedman's warehouse and you have plenty of opportunity to test them yourself. When seed is bought at the last minute, either by the dealer or the farmer, there is not the opportunity nor the time to make these searching tests that should be made.

IMPORTANT—WE WILL HOLD, FOR LATER SHIPMENT, ANY ORDER OF VEGETABLE, FLOWER, GRAINS OR GRASS SEEDS UPON WHICH 25% OF THE AMOUNT HAS BEEN PAID AND WE WILL PROTECT YOU AGAINST PRICE ADVANCES. WHEN SHIPMENT IS TO BE MADE EITHER SEND THE BALANCE DUE OR WE WILL SHIP C. O. D. IF A C. O. D. SHIPMENT IS DESIRED A SMALL CHARGE FOR RETURNING THE REMITTANCE WILL BE ADDED.

Potatoes, Onion Sets, Plants and Bulbs are shipped when weather conditions permit. The customer will be notified. Safe delivery is guaranteed. Should a shipment reach you in bad condition, notify us at once.

THE SEED CORN SITUATION IS VERY SERIOUS THIS YEAR. WE WOULD URGE THAT YOU TEST YOUR SEED CORN AS SOON AS POSSIBLE. IF YOUR CORN GROWS FAIR YOU CAN MAKE GOOD MONEY BY EAR TESTING IT, WHICH IS NOT SO DIFFICULT AFTER YOU GET STARTED. BY WAITING TOO LATE TO KNOW WHERE YOU ARE GOING TO GET YOUR SEED CORN MAY BE VERY SERIOUS. LATER MUCH OF THE CORN THAT YOU CAN BUY MAY NOT BE SUITED FOR YOUR SECTION. WE ARE FORTUNATE IN HAVING PICKED OUR SEED CORN BEFORE THE FROST AND WHILE IT IS SELLING FAST WE STILL CAN FURNISH GOOD SEED CORN THAT WAS GROWN FOR SEED AND SAVED FOR SEED. GROWN TRIBUTARY TO OWATONNA. IF IN NEED OF SEED CORN WE SUGGEST THAT YOU ORDER EARLY.

ALFALFA

In the grass seed line, ALFALFA will head the list again this year and is the most valuable hay crop we grow. We handle only NORTHERN GROWN SEED, thoroughly cleaned and FREE from noxious weed seeds and mustard. Consult this list for varieties and prices. You will find our prices very reasonable for No. 1 Seed.

MINNESOTA GROWN MEDIUM RED

Medium Red Clover has always played a leading part as a hay and fertilizing crop. Our seed is all purchased tributary to Owatonna, tested thoroughly with a purity of 99.50% or better and cleaned over both our Clipper and Gravity mills, bringing it to the highest quality possible.

SWEET CLOVER

To obtain good clean Sweet Clover Seed is very important. For fertilizing and pasture purposes Sweet Clover can not be beaten. We are most particular about our Sweet Clover as it is one of the hardest varieties of seed to get pure. Ask for our samples.

CASHMAN'S LAWN GRASS MIXTURE

We have specialized for years in good lawn grass. We believe that it pays to put in only the highest grades of Kentucky Blue Grass and other grasses that go to make up a lawn grass. Less of this kind of seed is required to obtain a successful stand. One pound will seed a plot 10x25 or 250 square feet.

PHALARIS OR REED'S CANARY GRASS SEED

Is of great interest to the farmers who have low or peaty ground that they want to seed down permanently. It forms a wonderful sod and makes it possible to cut the grass on ground that horses or machinery could not be put on before. The quality of the hay is high, exceeding such grasses as Timothy, Red Top, etc. We have fine, clean seed of high germination in this variety to offer our customers this year.

Don't forget we are handling the finest strains of vegetable and flower seeds we are able to obtain.

We will not offer any seeds for sale that our tests show to contain noxious weeds. We have been fortunate in being able to grow a large amount of our seeds on our farms here in Steele County, where we have the opportunity of sowing clean seed and also of extracting all foreign mixtures before the crop is harvested. This is the surest way of knowing that your seeds are clean when they reach the bin or sack. We hope to hear from all our old friends, and we are always delighted to hear from new customers.

In order that you may know just what we have to offer in grasses and field seeds send for our samples, they are free. Have them tested. We will furnish seed that is identical to the samples that we send you.

We want to thank our customers for the nice business given us in the past and assure you we are anxious to serve you for the coming year.

Yours for QUALITY AND SERVICE,

CASHMAN SEED COMPANY
